## **ALPHA NETSOLUTIONS ACHIEVES MICROSOFT'S COMPETENCY FOR PORTAL & COLLABORATION SPECIALIZATION**

*Alpha NetSolutions completes the requirements for the Microsoft Information Worker Competency for Portal & Collaboration Specialization.*

Information Worker Solutions

Microsoft  
Small Business  
Specialist

**Marlborough, MA, May 11, 2009** — Alpha NetSolutions, Inc. ("AlphaNet"), A Microsoft Certified Partner, has achieved the Microsoft Information Worker Competency for Portal & Collaboration Specialization. AlphaNet has proven competency in the creation of effective solutions that maximize businesses' revenue potential using Microsoft information worker technologies. AlphaNet has addressed key customer challenges by helping to develop solutions and deploy services based on the 2007 Microsoft Office system and Microsoft Exchange Server 2007. AlphaNet has also demonstrated proficiency in deploying portal and collaboration solutions for multiple customers with key features including: improving employee productivity; consolidating business-critical information into one central location; coordinating organization-wide access to both structured and unstructured information and more.

### **About ANS**

Headquartered in Marlborough, Massachusetts, Alpha NetSolutions (ANS) is a New England based IT provider known for excellence in business continuity assessments and disaster recovery plans for medium-sized businesses.
