

Alpha NetSolutions, Inc.

A Full Service IT Provider

Windows Essential Server Solutions

The Business Environment is Changing. Help Your Business Stay on Top.

Attend this special event exclusively for business decision makers and owners.

Whether you already have Windows SBS 2003 and are considering an upgrade, or you're on another platform, please join us to discover the compelling reasons to move to Windows Small Business Server 2008.

Date: Wednesday, March 11, 2009
Time: Registration 8:30am
Event 9am to noon
Venue: Marriott Courtyard
3 Technology Drive
Westborough, MA 01581

Alpha NetSolutions invites you to join us for a unique **Small Business Productivity Essentials** event. As a Microsoft Partner, we are offering you an exciting opportunity to experience the latest innovations in small business technology. See how you can enable your people to be more productive, experience the freedom of working from virtually anywhere, and learn how you can help secure and protect your business data.

Join other business owners to learn about the tools you need to help your business grow.

Call us today to register for this exciting event. We look forward to seeing you there!

Best Regards,
Timothy J. Shea
CEO & Senior Consultant
